Attorneys for Defendant: Otto Trucking LLC

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

Waymo LLC,

Plaintiff,

v.

Uber Technologies, Inc.; Ottomotto LLC; Otto
Trucking LLC,

Defendants.

Case No. 3:17-cv-00939-WHA

NOTICE OF INSPECTION

PLEASE TAKE NOTICE THAT, pursuant to Rule 34 of the Federal Rules of Civil Procedure and the expedited rules and proceedings in this case, counsel for defendant Otto Trucking LLC and one or more of Otto Trucking's experts (and Special Master John Cooper if he so wishes) will inspect Waymo's network, including how laptops interact with Waymo's network, including the [REDACTED], and the metadata generated from those interactions. As part of the inspection, Otto Trucking will need access to the following:

1. A Google-issued laptop [REDACTED] that
 - a. Has a standard Google Windows image, the same as what would have been used in that organization on December 11, 2015;
 - b. Runs versions of their endpoint software including [REDACTED] and [REDACTED] in use during the time period in question;
 - c. Contains a user profile to be configured as Local Administrator on that laptop;
 - d. Has a group or user policy that matches that of Anthony Levandowski just prior to his departure. (That means access to all the same resources that Levandowski had);
2. Administrative access on the [REDACTED] client that allows user to customize rules;
3. Access to [REDACTED] software on removeable media such that Otto Trucking's can install [REDACTED] while connected to the Waymo network;
4. Access to the entire [REDACTED] network to the same extent that was Anthony Levandowski was provided on December 11, 2015;
5. Provide the same version of [REDACTED] software on a USB removable media device in order to allow imaging of the laptop in the same manner as was done by the Google Security team;
6. Access to [REDACTED] log files associated to that laptop computer and created during the time period this work is being performed;
7. Access to any software and laptop OS versions to replicate the above operations as of December 22, 2015, or documentation that contains information about any

1 modifications to the versions, settings or systems between the time of the original
2 capture and our test so that we can account for variances; and

- 3 8. Waymo's logging software or systems capable of monitoring downloading activity
4 by Google or Waymo employees not discussed in Mr. Brown's declaration be
5 disclosed and made available for testing.

6 Local copies of any files to which Waymo provides access as part of this inspection will be
7 deleted at the end of the inspection. However, Otto Trucking would maintain a copy of any logs
8 and metadata created as part of this inspection.

9 The inspection shall take place on August 17, 2017 beginning at 9 a.m.

10 Dated: August 7, 2017

Respectfully submitted,

11 By: /s/Neel Chatterjee
